## Clean and Differentiated Sound

The QTC Spikes XL Lautsprecherspikes from Via-Blue are given a WORLD SMARTHOME AWARD in the "accessoires" category.

The WORLD SMARTHOME AWARD is given to the ViaBlue QTC Spikes XL Lautsprecherspikes because they were able to convince the jury in terms of "prevent the transmission of disturbing vibrations" and "height adjustable".

The WORLD SMART HOME AWARDS are bestowed upon the best smart home systems and components by a distinguished jury of experts. They serve as an essential guide for consumers, installers, and the trade for purchasing, procurement, and product range management.
