## ViaBlue UFO Absorber Gerätefüße

Dr. Martin Mertens  
**Head Of Jury**

## Shapely and Sound-Enhancing

The UFO Absorber Gerätefüße from ViaBlue are given a WORLD SMARTHOME AWARD in the "accessoires" category.

The WORLD SMARTHOME AWARD is given to the ViaBlue UFO because they were able to convince the jury in terms of "vibration dampening" and "sound improvement".

The WORLD SMART HOME AWARDS are bestowed upon the best smart home systems and components by a distinguished jury of experts. They serve as an essential guide for consumers, installers, and the trade for purchasing, procurement, and product range management.
